Rate University Application

<u>User Stories</u>

#Epic 1:Account Management

- As a user, I want to be able to create a new account,so that I can access the application.
- As a registered user,I want to be able to log in to my account,so that I can can access and secure my personal information.
- As a logged-in user,I want to be able to log out of my account,so that no one else can access my account except me.

#Epic 2:Interacton with courses

- As a student,I want to be able to search and view all available courses,so that I can explore and register in courses I'm interested in.
- As a student,I want to be able to join a course,so that I can have access over course materials and lectures.
- As a student,I want to be able to drop a course,so that I can adjust my new interests,workload or personal reasons.

#Epic 3:Course Details

- As a student,I want to be able to view details about a course,so that I have information about the description of the course ,the lecturer, schedule,location and the number of registered students.

#Epic 4:Feedback Management

- As a student,I want to be able to leave feedback for a course,so that I can share my learning journey and inform other students as well.
- As a sudent,I want to leave feedbacks only for courses where I am registered,so that my feedback is relevant.
- As a student,I want to leave only one feedback per course,so that my feedback remains fair and and avoids potential biases.

#Epic 5:View Feedback

- As a student,I want to view the list of feedbacks for any course,so that I can read others experiences as well.
- As a student,I want to see the average rating for a course,so that I can make decisions about joining a course based on the collective feedback.

#Epic 6:View Top-Rated Courses

- As a student ,I want to view top 8 most rated courses,so that I can explore rated and popular courses and make my decision about joining them.

#Epic 7:Course Calendar

- As a student,I want to see all courses in a calendar,so that I can plan my schedule accordingly.

#Epic 8:Feedback Maintenance

- As a system,I will automatically remove any feedback created more than 1 year ago,so that the system stays updated.
